Chandrasekhar bears an excellent
character and that there was no moral
turbulence in him, though he may be
a man of average ability. It is
stated that he had heavy work in
connection with rationing arrangements
and that he did that work excellently.
It is also reported that the collection of
Kohatarfa and octroi improved consi-
derably during his time and that his
work was better than that of many of
his predecessors. In view of this satis-
factory work, the D.C. opines that his
prayer may be favourably considered.

Representation of C D Chandra Sekhar
Chief Officer Chikmagalur
Municipality (On leave)

Reference - Government Order
from the Local Self Government
Department reverting me to
my permanent Appointment

1) I beg to state, I was
Chief Officer of several
Municipalities for nearly
7 years I was working in
the Chikmagalur Municipality
since September 1942

2) A Municipal Councillor
and member of the Audit,
Committee constituted for the
Audit of Monthly Accounts,
sent copies of its notes
to the Minister for Local
Self Government and to

the Comptroller The notes
Contained mostly items recover^{able}
under Order, totalling in all
about Rs 100/- All these items
were since recovered There
has been no loss of Revenue
to the Municipality The Assistant
Comptroller, Local Audit Circle
Shimoga Circle went in detail
over the Audit Notes, and
understand has submitted
his report

3) It is stated in the GO
reverting me that I have been
given many Chances but
proved inefficient I beg to
submit that during my
seven years of service as
Chief Officer I have earned
the Commendation of several
Deputy Commissioners I have
not been punished in
any way

6) In Chikmagalur I was
heavily overworked as in
addition to my duties, I
worked out and managed
a scheme for kerosene oil

Rationing, as early as November 1942

Rationing of foodstuffs, with all its preliminary work was entrusted to the Municipality. I have managed Municipal Depots for vending foodstuffs

5) Notwithstanding all this additional work, I reached a figure for Collection of Assessed Taxes, which is a record for the Municipality Income under Octroi has never been as much as what it was during the period I worked there

6) I beg to submit that Confidential Reports about me from the several Deputy Commissioners I have served as Chief Officer may kindly be perused to throw light on my work, suitability for the post and my ability in general. The report of the Assistant Comptroller, Local Audit Circle, may kindly be perused

7) In Conclusion, I beg to submit that notwithstanding my Commendable services, I have been punished for what may be technically irregular but nothing uncommon in the nature of the working of the Probation Department. The punishment meted out to one who has had a clean record for several years is very drastic and I may be pardoned for submitting — quite incommensurate with any offence I might have committed.

8) I beg that justice may be done to me, by rescinding the Government Order, and restoring me to my original post for which act of kindness I shall ever remain grateful.

OFFICE OF the Deputy Commissioner,
Kadur District, Chikmagalur, & R.V.

Date 30th November 1945

To

The Secretary to Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore

Sir

With reference to your letter No L 2419 M1 83-44-48 dated 25th September 1945, forwarding for report the representation of Mr C D Chandrasekhar for rescinding G O No L 8185-7 M1 83-44-37 dated 19th February 1945, I have the honour to state that Mr Chandrasekhar bears an excellent character and as far as I am aware of there was no moral turpitude though he may be a man of average ability. I have found him quite earnest in his work though he used to take a gloomy view of things and was diffident about his own capacity. During 1943 before the rationing in Chikmagalur Town was legalised Mr Chandrasekhar was practically in charge of the Rationing arrangements and did excellent work in that connection. As represented by him the heavy work which he had to do, should be taken into account in assessing any deficiency or lapses on his part. I may remark in this connection that in the matter of collection of Mohatarfa Tax during the period of his stay in Chikmagalur, the collections went up from 647 in 1941, before he came, to 747 after he came here. The collection of Octroi was also very satisfactory as against Rs 23,962/- which was the collection in 1941-42 before his advent here, it went up to Rs 33,943/- in 1944-45, there being an yearly rise. There is therefore no doubt that his work has been better than that of many of his predecessors. As his work has been satisfactory enough I am of opinion that his prayer may be favourably considered.

His representation together with the Demand Collection and Balance statement furnished by the President Town Municipal Council, Chikmagalur in original is herewith enclosed for kind reference.

I have the honour to be,
